THANK YOU!

We've officially completed our first month at KSS Basketball Club, and we just want to say a big thank you.

It's been great to see the players' effort, energy, which would not be possible without the encouragement and commitment from parents, you're the real MVPs.

We truly appreciate the trust you've placed in us and your support in helping the club grow. We're excited about what's ahead and look forward to continuing this journey together.

HAPPY EASTER

We hope all our players and families have a lovely Easter. It's a great time to rest, recharge, and spend time with loved ones.

Coach's Message

"It's been a great first month at KSS, and I'm really pleased with the effort and attitude from all players. We've focused on building strong fundamentals and confidence, and it's already showing in training.

As we head into April, we're excited to introduce more game opportunities through friendlies and tournaments. We encourage players to keep working hard and most of all, enjoying basketball."
