It was brilliant to see the girls support each other, stay focused, and enjoy the game. A proud moment for the team and a well-deserved win. Well done!

## COACH'S MESSAGE

"I'm really proud of the progress the team is making overall. The effort and focus in training are starting to show in games, and it's great to see everyone growing in confidence.

What's been especially positive is the attitude across the group, supporting one another and staying coachable. That consistency is what will keep pushing us forward.

Let's keep building, keep improving, and continue holding each other to a high standard."
